Rabies Tags • License Tags • Property Tags • Inventory Tags • Tool Checks

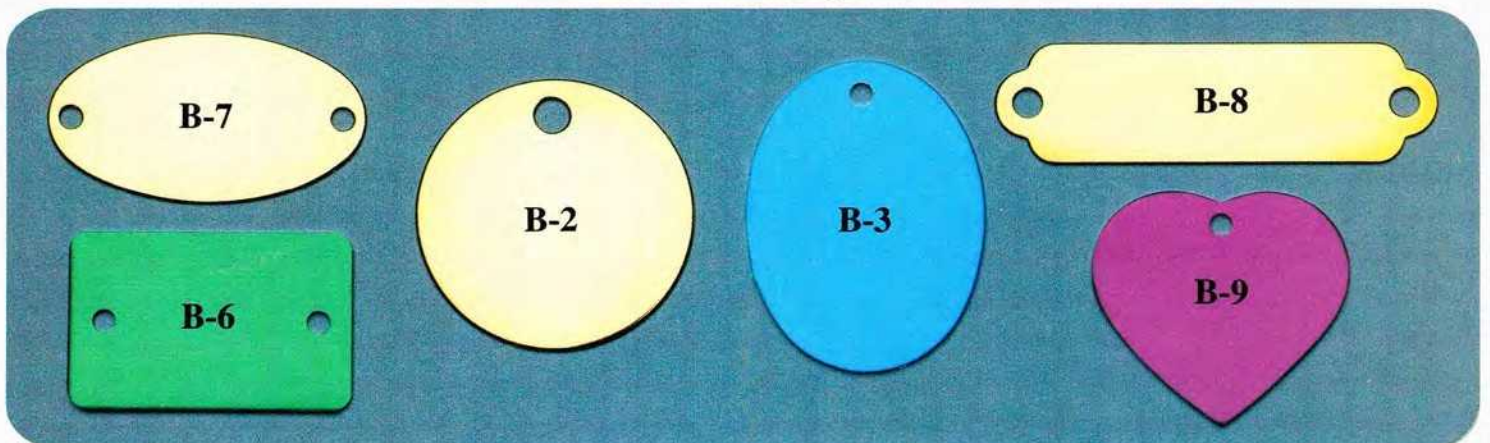

COMPLETELY STAMPED with COPY and/or SERIAL NUMBERS to your specifications.

These tags have a mill finish with die cut edges.

Series A Tags

Series B Tags

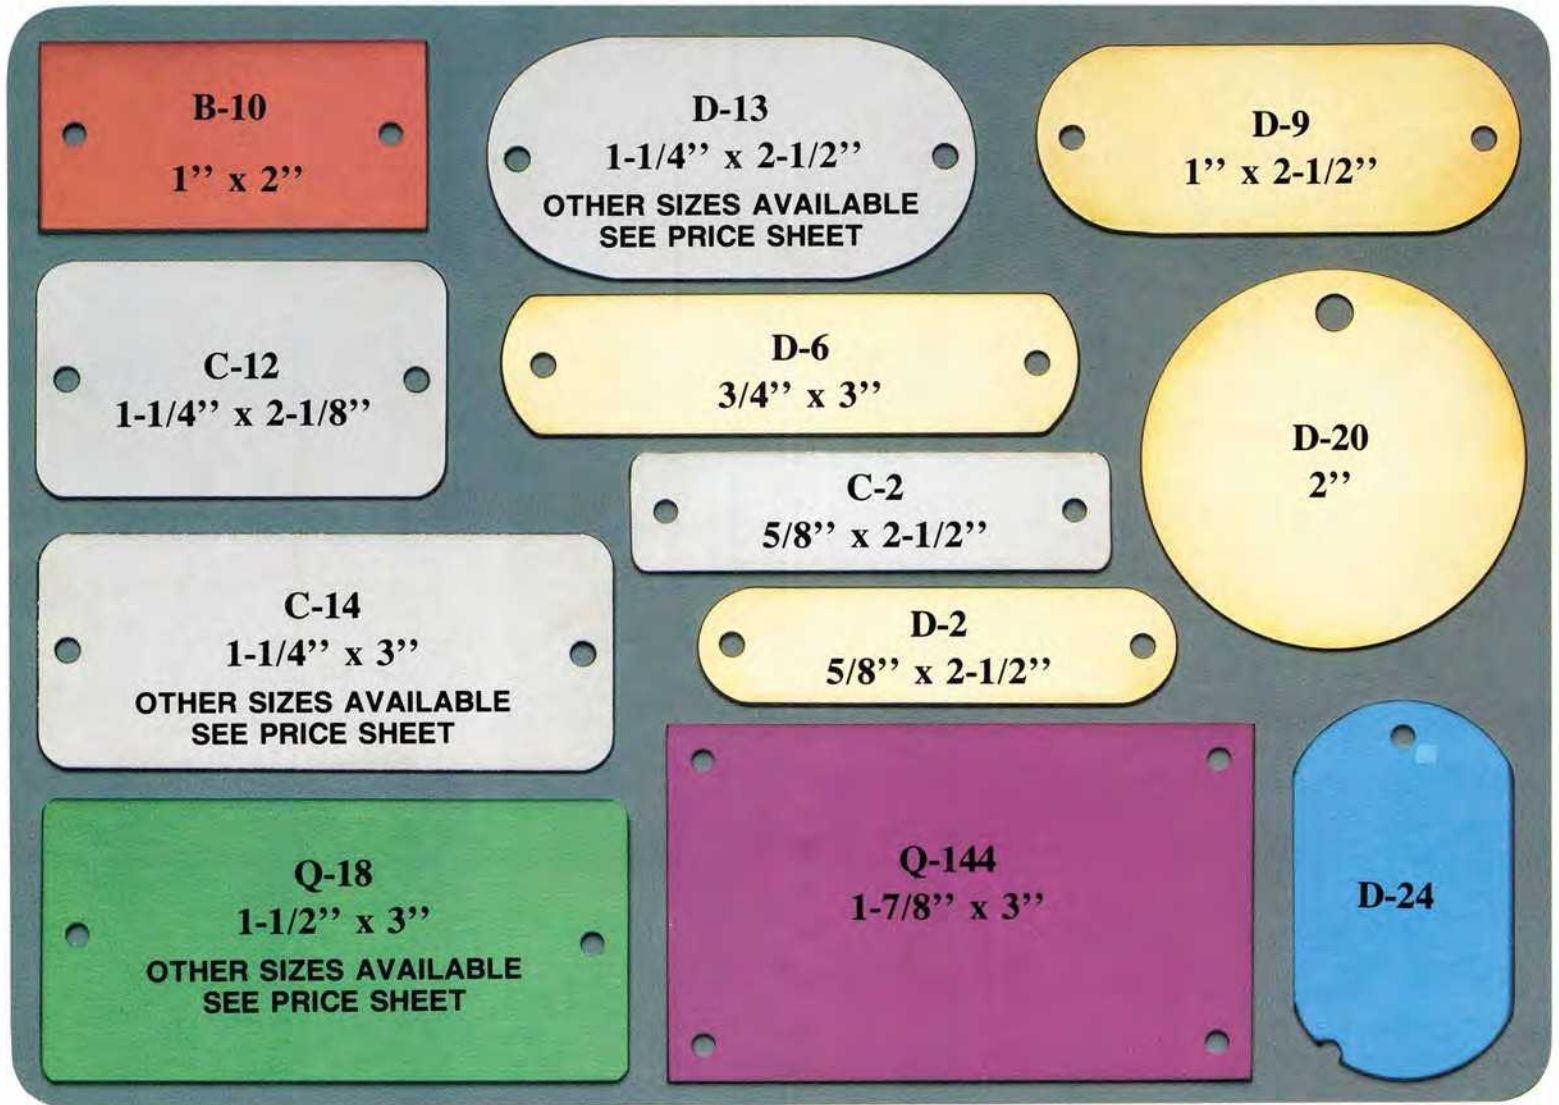

All of the Tags shown here and on page 5 are available in .050" plain or colored Anodized Aluminum (red, blue, green, gold and purple), .036" Brass and .031" Stainless Steel.

Blank Tags

Series A, B, C, D and Q Tags are available blank in .036" Brass and .031" Stainless Steel, deburred and burnished to a bright finish. They are also stocked in .050" plain, red, blue, green, gold and purple Anodized Aluminum. Available with one, two or no holes. Minimum order is 50 pieces of one shape, material and color.

Series C, D and Q Tags

STAMPING: All of the tags shown on these two pages can be straight line stamped with 1/16", 3/32", 1/8", 3/16" or 1/4" type. Any combination of letters, numbers and symbols (# \$ % c & -) can be used, limited only by the size of the type and the area of the tag.

SERIAL NUMBERS: The tags can be consecutively numbered with 3/32", 1/8", 1/4", 3/8", or 1/2" numbers, depending on the area of the tag. For numbering other than serially, please see NUMBERING CHANGES on our price sheet.

HOLES: Standard production is one or two 1/8" holes located 3/16" from the center of the hole to the edge of the tag. Special hole sizes are available upon request.

PACKAGING: Standard packaging is up to 1,000 identical tags bulk packed per carton. Consecutively numbered tags are packed 100 to a wire. Special packaging is available upon request.

For **BLACK ENAMEL FILLED LETTERS AND NUMBERS, REINFORCED EYELETS, SPLIT RIVETS, FLAT OR TWISTED "S" HOOKS** and **ATTACHMENT RINGS**, please see our price sheet.

SHIPPING: Shipments are by United Parcel Service. **DELIVERY** of Series A, B, C, D and Q tags stamped and/or numbered, will be 4 to 6 weeks, depending on our production schedule. **BLANK TAGS** can generally be shipped immediately from stock.

ORDERING: When ordering tags, please **BE SURE** to indicate the following information:

Tag Style Number

Quantity

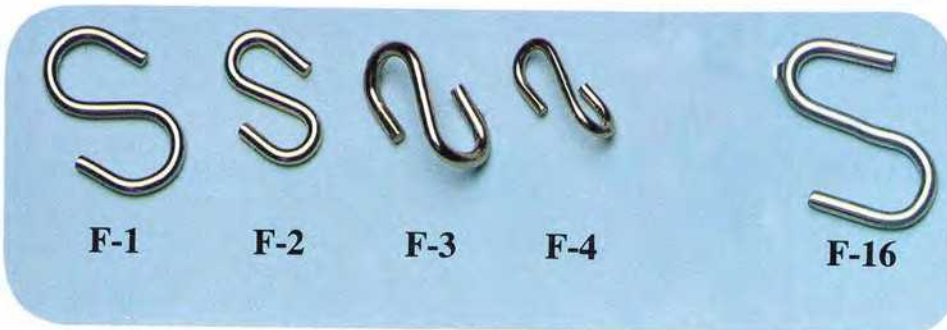

Material and Color (if anodized aluminum)

Stamping Information - **CLEARLY** specify characters and numbers to be stamped. Show preferred layout and acceptable abbreviations.

Special Instructions - Holes, fittings, special packaging, etc.

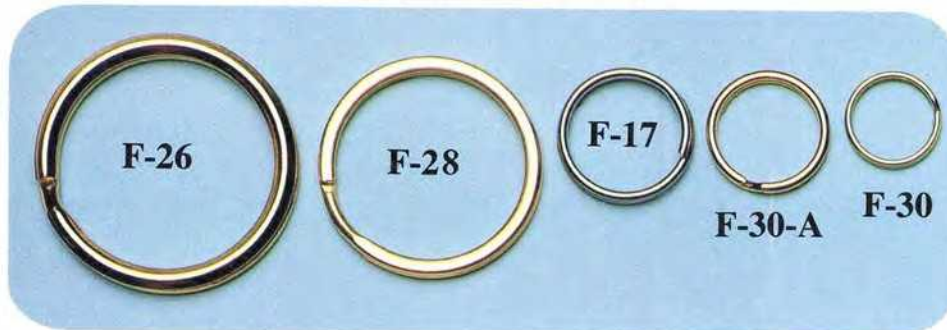

We Can Fill **ONLY WRITTEN ORDERS** For **STAMPED TAGS**.

Stock Nameplates

SHOWN ACTUAL SIZE

PLEASE SEE OUR PRICE SHEET FOR SPECIFICATIONS

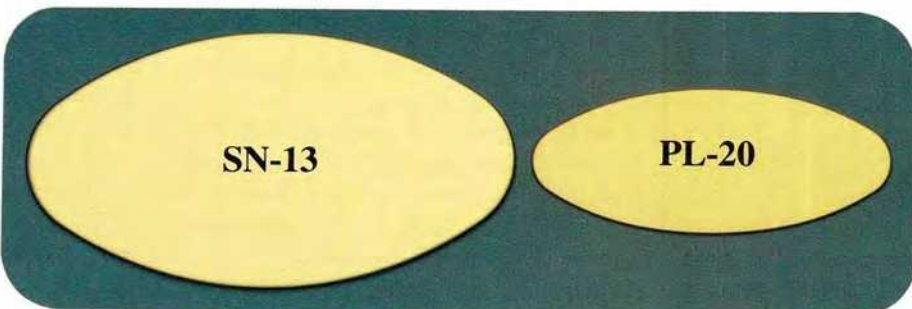

Stock Nameplates Numbered SN-8, SN-9, SN-10, SN-11, SN-14, SN-15, SN-16, SN-17, SN-35 and SN-41 all have Double-line Engraved Borders.

SN-5 and SN-6 have Single-line Stamped Borders.

All of the plates designated SN on this page are available in .020" and .032" Gold Satin Brass.

Please call for quote on other material.

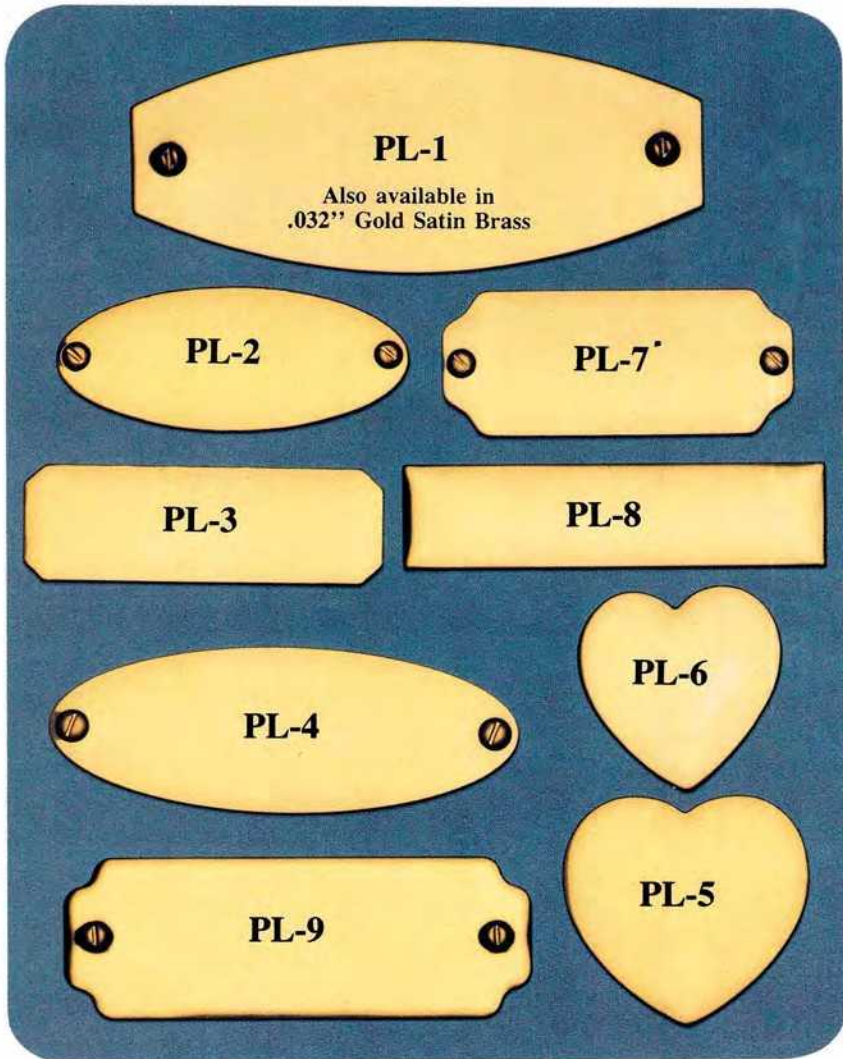

All of our SN plates are available with or without holes, embossed nail heads or screw heads or permanent pressure sensitive adhesive. Please state requirements when ordering. Split Rivets, Escutcheon Pins and Screws for attachment are available. Please see page 6.

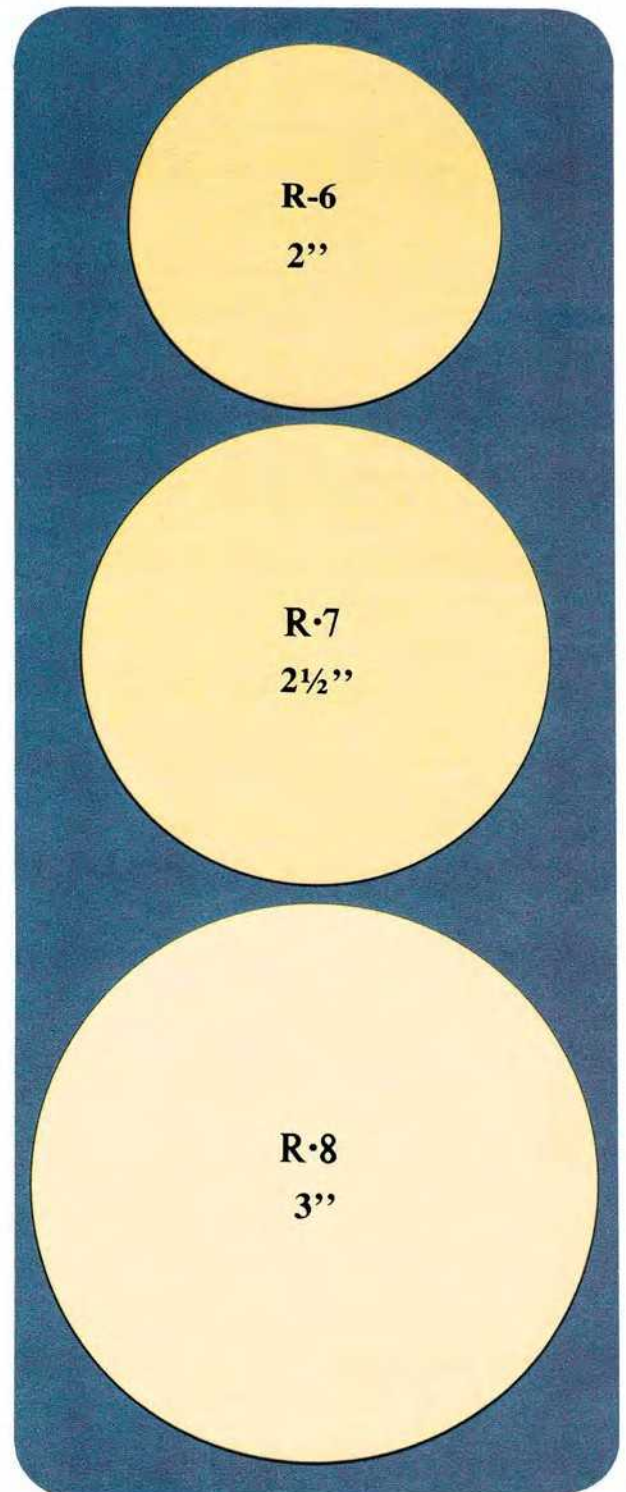

Our PL-20 plate is available in .020" Gold Satin or Bright Brass and .020" Silver Satin or Bright with our permanent pressure sensitive adhesive on the back. It can be supplied plain, with embossed nail or screw heads or with holes.

Decorative Nameplates

Available in .020" Gold Bright Brass with Permanent Pressure Sensitive Adhesive.

Brass Disks

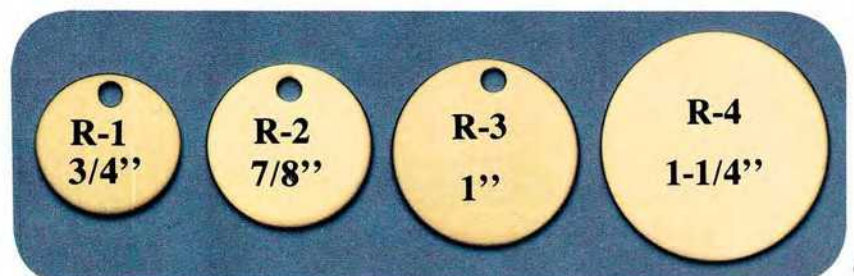

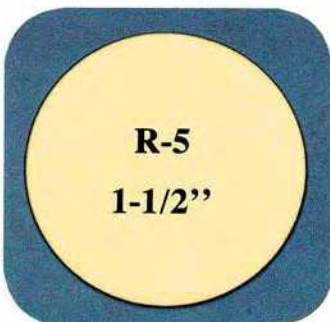

R-1, R-2, and R-3 are available only in .062" Gold Satin or Bright Brass.
 R-4 is available in .062" Gold Satin and .050" Gold Bright Brass.
 R-5 is available in .032" Gold Satin Brass and .50" Gold Satin or Bright Brass.

R-6, R-7 and R-8 are available only in .020" Gold Satin Brass.

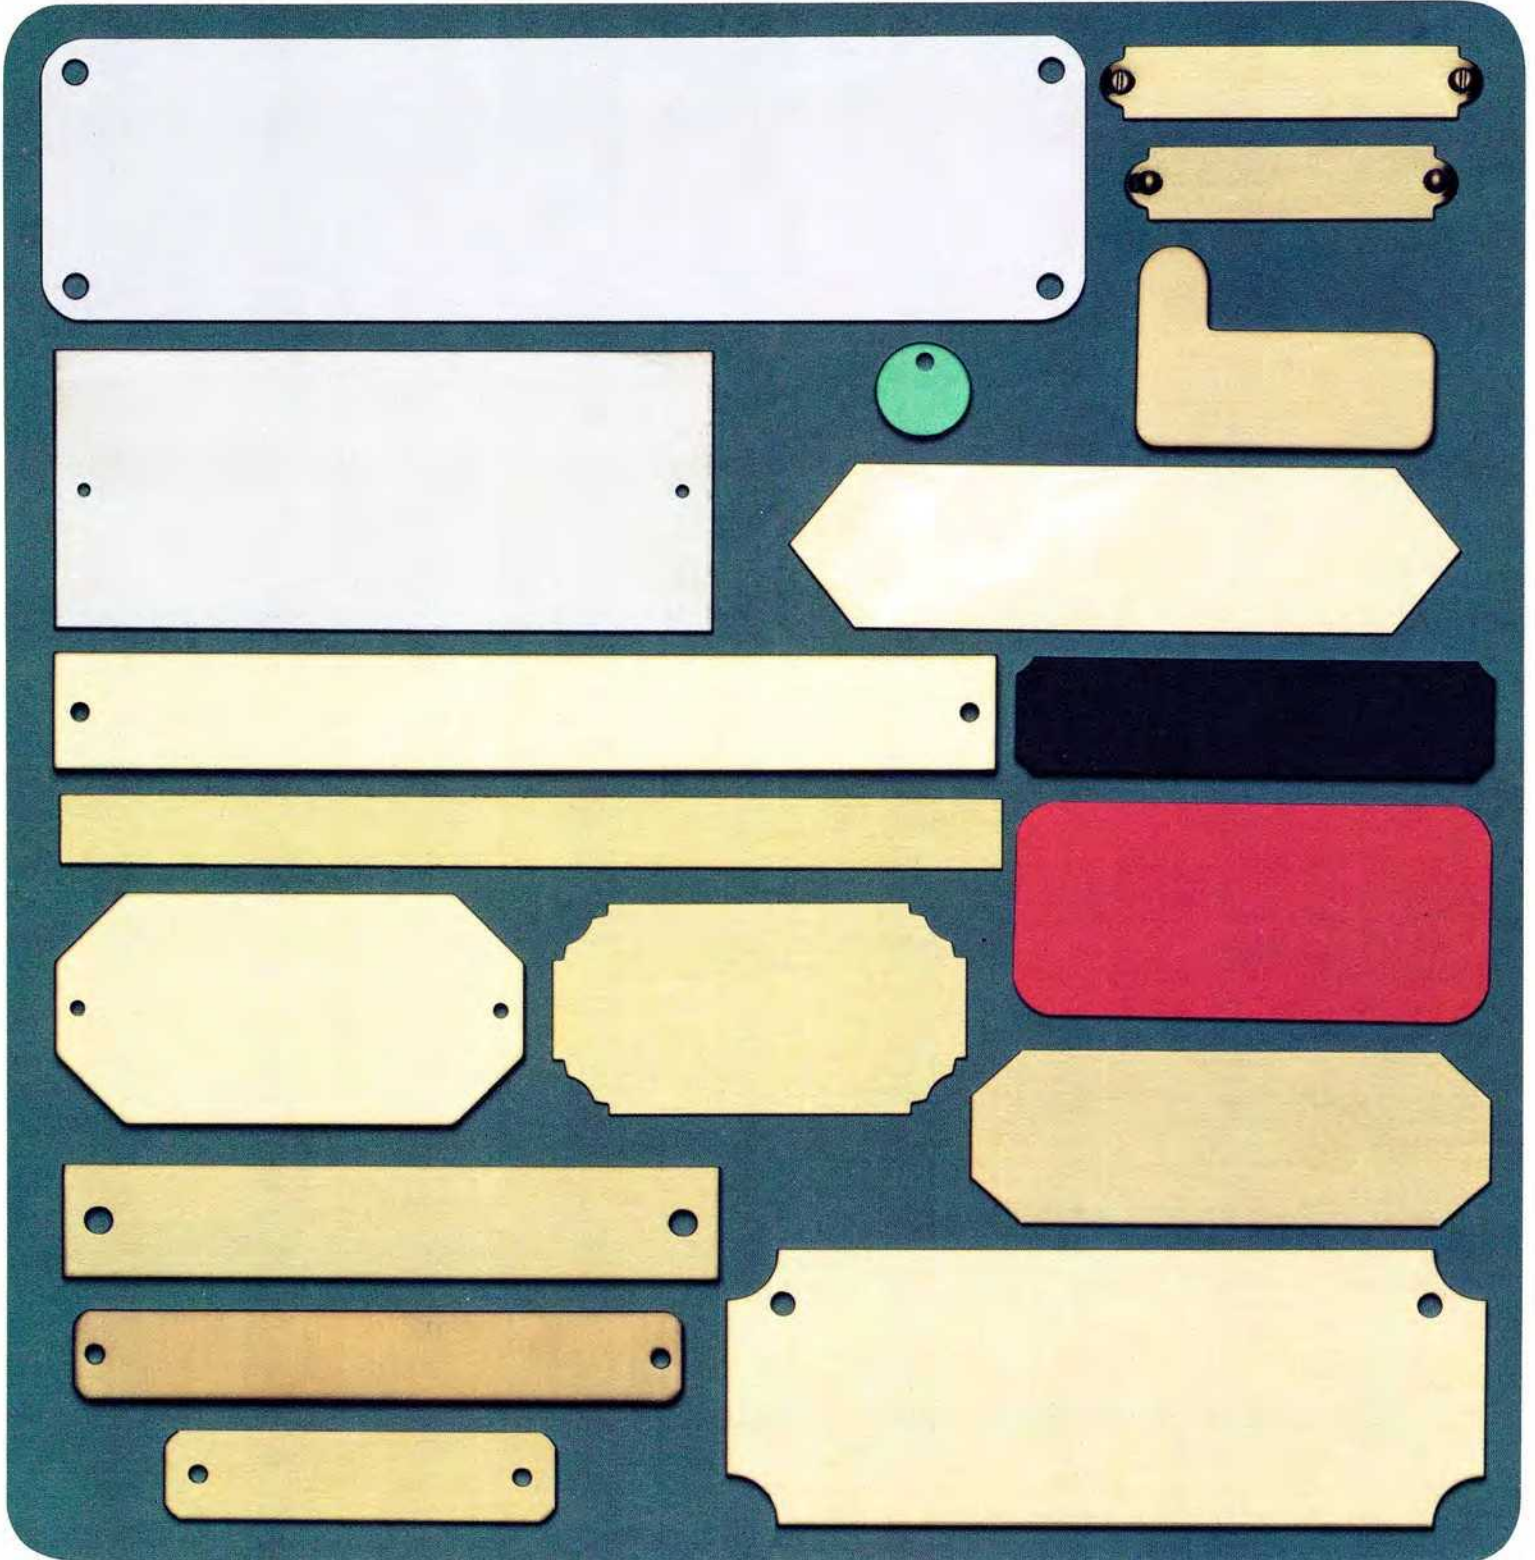

Any of our Disks can be delivered with or without holes (to your specification).

They are masked with heavy paper for the protection of the finish.

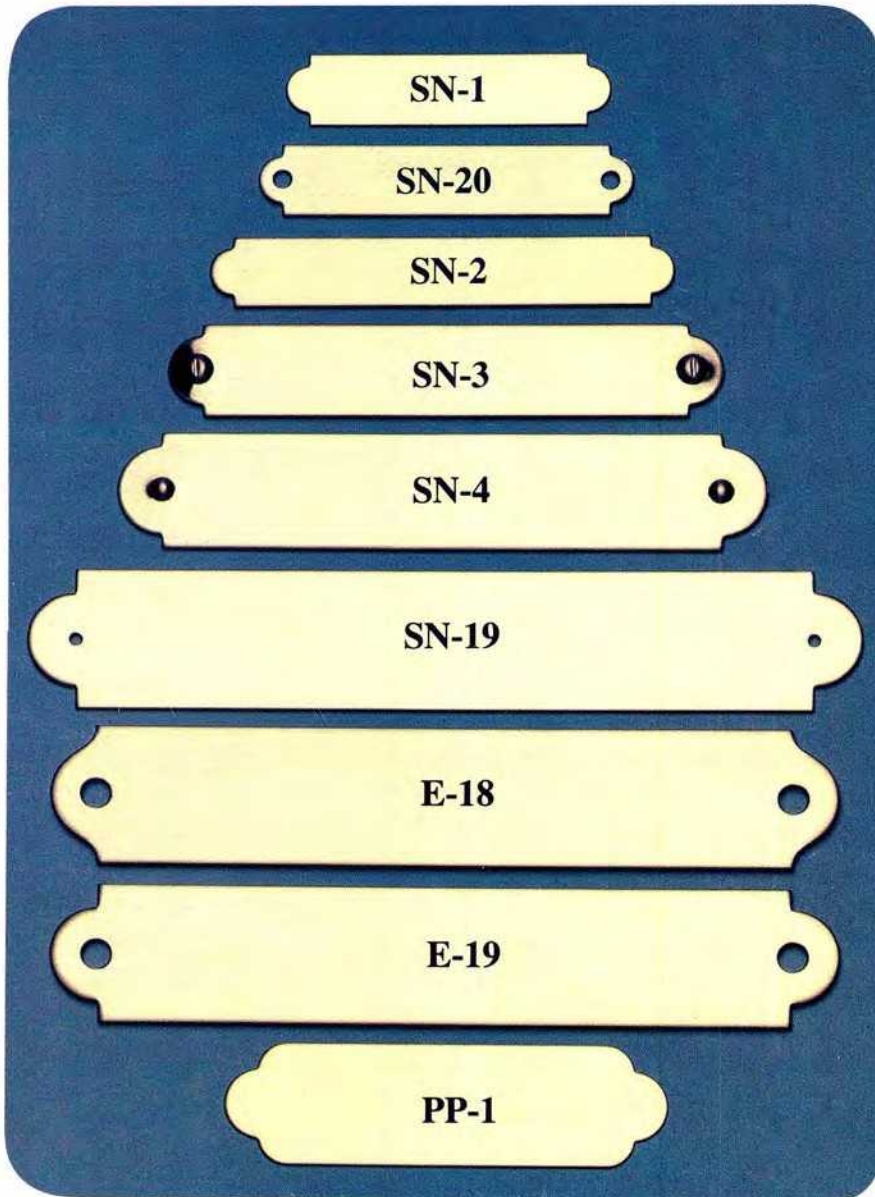

Custom Nameplates

Custom cut and blanked to your specifications. Our Engraver's Brass and Nickel Silver are the finest quality available for engraving and are finished with a baked-on synthetic resin and masked with heavy paper to protect the finish. We stock .020", .050" and .062" Bright and Satin Brass, .032" Satin Brass and .020" and .050" Bright and Satin Nickel Silver. We also stock plain and Anodized Aluminum in a variety of colors, "raw" (70/30) Brass with a Mill finish and Stainless Steel (alloys 304 and 316) in Bright, Satin and Mill finishes. All are stocked in a variety of thicknesses. Custom Nameplates can be supplied with rounded, notched or square corners, engraved borders, embossed nail or screw heads, holes, rivets, screws, escutcheon pins or permanent pressure sensitive adhesive. Nameplates can also be supplied stamped or engraved. For the ultimate in low-cost nameplates, please check our prices.

Ornamental Nameplates

All of our Ornamental Nameplates are available with (or without) holes, embossed nail heads or screw heads or permanent pressure sensitive adhesive. Special hole sizes to meet your requirements. Escutcheon pins and screws are available. Please see our price sheet. CUSTOM LENGTHS are also available. Please inquire.

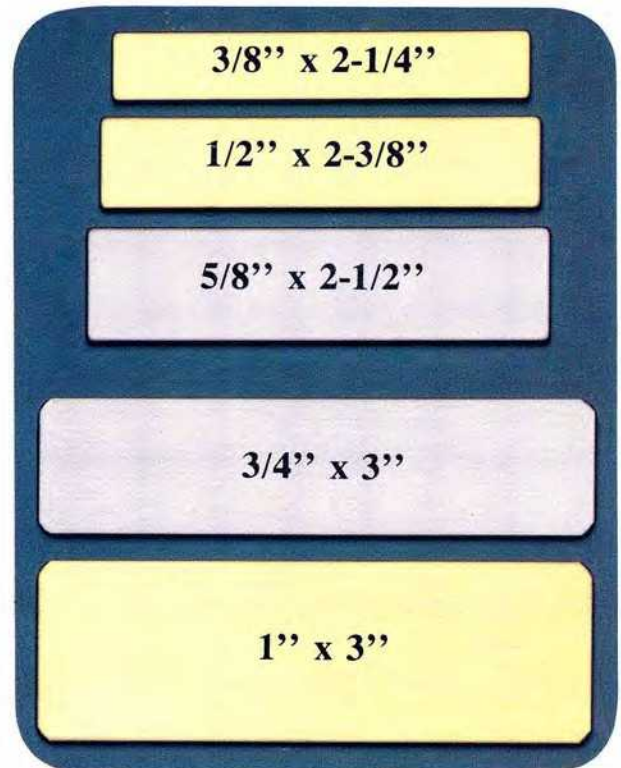

SN-1, SN-20, SN-2, SN-3, SN-4 and SN-19 are available in .020" and .032" Gold Satin or .020" Bright Brass and in .020" Satin or Bright Nickel Silver. E-18 and E-19 are available only in .050" and .062" Gold Satin or Bright Brass and in .050" Satin or Bright Nickel Silver. PP-1 is available only in .020" Gold Satin Brass.

Metal Name Badges

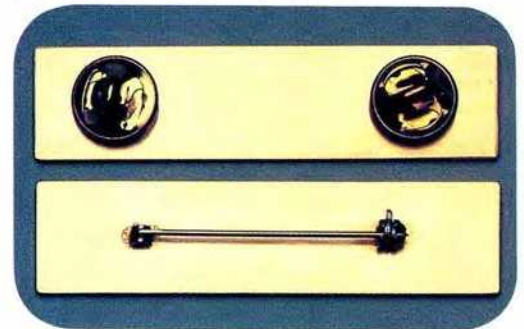

Our Name Badges are blanked from the finest quality Leaded Engraver's Brass and Nickel Silver. The finish is protected with a baked-on resin which will not chip or flake and is masked with a heavy paper covering.

NO MINIMUM ORDERS - FAST DELIVERY
The standard size badges shown below are available for immediate delivery from stock. CUSTOM SIZES can be shipped within 5 to 7 working days.

The safety pin and clutch fasteners on our Name Badges are electronically fused and individually tested for strength. Standard clutch posts are 5/16". We can also supply them in 1/4", 3/8" and 7/16" lengths

FOR NO ADDITIONAL CHARGE.
